TIH ACCOUNT REGISTRATION

A TYPES OF TIH ACCOUNTS

There are 3 account types, each with different privileges:

	BASIC USER	BUSINESS USER	DEVELOPER
	For Individuals	*For Businesses*	*For Individual Developers*
Media Assets • *Digital Images & Videos* • *3D Models*	✓	✓	✓
Tourism Offerings	✗	✓	✓
API Services* • *Content & Media APIs* • *Travel Software Services*	✗	✓	✓ *Limited access*
Business Directory	✓	✓	✓

* TIH Business Users and Developers can request access to Application Programming Interface (API) services and obtain an API key. For selected API services, an additional OAuth key is required and can only be requested by Business Users.

## B HOW TO REGISTER FOR A TIH ACCOUNT

singpass

➡ For individuals or business users with Singpass
Register for a TIH account using your Singpass.

For Business users, your Singpass must be linked to your company's Corppass before registration. For information on linking your company's Corppass, please visit this link for more information.

Email

➡ For individuals or business users without Singpass
Register for a TIH account with a valid email address.
